17th May 2022

Dear Parents/Carers

On **Thursday 26th May 2022**, Greenfield Primary School will be celebrating the Queen's Jubilee.

Her majesty the Queen will become the first British Monarch to celebrate a Platinum Jubilee after 70 years of service. To celebrate this at Greenfield Primary, pupils will be taking part in a wide range of activities, which includes learning about the jubilee, completing a portrait competition and a Design and Technology project.

To make this event extra special, on **Thursday 26th May** we will be having a garden party using our new field. On the field, there will be games and fun activities which have been organised by the PTA and staff. On this day we also invite the children to come to school dressed in red, white, blue or purple (as this is the Jubilee special colour).

For this special event, each class is making a sweet treat to sell across school. If your child wishes to purchase a cake made by one of the classes, they will need to bring £1-2 into school on Thursday which will help fund the resources for the day.

To celebrate this event, at home we invite children to take part in a design your own crown competition. These crowns need to be designed and made at home and brought into school on **Monday 23rd May 2022** to be judged by the School Council and will be worn by the pupils on Thursday for their garden party.

Further details will follow when we have confirmed all the activities with the PTA.

Thank you for your continued support.

Yours sincerely

Mr M Wood
Headteacher
