8<sup>th</sup> September 2021

Dear Parents/Carers

It was lovely to see all the children back in school on Monday.

We have been very busy adjusting and implementing all the new government guidelines with regard to Covid-19. Some of the measures will be obvious such as no bubbles and children playing out together but we are taking stringent precautions with handwashing and sanitising, and reminding children to try not to touch their face, eyes, mouth etc. The uprated cleaning and disinfecting regime of the school is continuing to try to reduce the passing of the virus. Having said that, we have only been open three days and have six positive cases in children. There have been many changes, for example, if a child is positive, currently only that child stays at home and the rest of the class are expected to attend. If there is a child who tests positive within a class, all the other parents of children in that class will be informed of a positive case and issued with a letter giving further advice. None of the staff are currently affected. We will do everything we can to keep your children and our staff safe under the new government policy commencing this September and we are in constant touch with Public Health Oldham for advice on any situation that occurs. If anyone is unsure and needs further clarification, please do not hesitate to contact school.

I am pleased to announce the children will now be able to use our school playing fields. I have this week been showing staff how to activate and deactivate the alarm system on the new changing block, so the field will be in use this week weather permitting, if not, next week.

In addition, the trim trail equipment is due to be delivered next Wednesday, 15<sup>th</sup> September, ready for installation. May I advise parents that there will be some disruption in the school car park that morning and many of the staff will be unable to park there while the equipment is unloaded.

We are looking forward to an exciting term leading up to Christmas with lots of events to ensure your children are as happy and motivated as possible.

Best wishes and take care.

Yours sincerely

Mr M Wood  
Headteacher
