Dear Parents/Carers

I am delighted to be able to inform you that we are moving forward with live, face to face access between teachers and their classes to support our already comprehensive, online, remote learning platforms. We have been practising this week and indeed I spoke to the first child in her home with her dad sitting by, on Tuesday. We have been practising to iron out any technical difficulties or misunderstandings with Year 5 and Year 6 this week. These two year groups should be accessing daily contact and guidance for their learning commencing next week. This programme will be rolled out over forthcoming weeks throughout school. We are working on Year 3 and Year 4 currently. It is quite a task to undertake as it is new to us and involves inputting 280 email addresses, however, the results will be outstanding and of benefit to all.

Please do not worry if you have any difficulties accessing this provision. We will be able to offer you support if needed. There clearly has to be a framework and structure in which this activity can safely take place and so I have attached Remote Learning Guidance and a Code of Conduct to be adhered to by all participants.

Take Care and Best Wishes,

Yours sincerely

Mr M Wood
