19th March 2020

Dear Parents/Carers

For many children at Greenfield Primary School tomorrow (Friday) will be their last day until further notice. We feel as a staff we would like to make this day together a positive experience for all the children in school. Therefore, having spoken to older children in school we have decided that tomorrow children can come to school in non-uniform and hopefully bright and cheery colours. If you are able please send your child to school with a tin or item of non – perishable food which we will ensure is distributed next week to the needier families and elderly in our community. Throughout the day fun activities will take place ranging from watching videos, colouring, playing with Lego and playing games indoors and outdoors.

Please remember that every child in school from Nursery to Year 6 will be sent home with a learning pack tomorrow. Parents of children who are not in school tomorrow can collect or send a friend to collect on their behalf a learning pack for their child, which will be available from the front office at 11.00am.

Again, I will be sharing details of who the government identify as Key Workers and what the characteristics of vulnerable children are. These are not school lists but government directions, which we must adhere to in this time of crisis. The government are anticipating there will only be 10% of the school population in school, which in our case is approximately 25 children. These measures are the government's attempt to keep all our communities safe.

Thank you for your continued support and patience during these very uncertain times.

Yours sincerely

Mr M Wood
Headteacher
