13th March 2020

Dear Parents/Carers

Due to current uncertainty of the spread of coronavirus, we at school have been thinking about how we can ensure children have access to work if the government advises all schools to close at some time in the near future. The Senior Leadership Team would like to suggest the following:

1. Purple Mash: Teachers will set the appropriate tasks that can be accessed from an iPad or laptop. Your child has had previous experience with this and will know how to operate this platform: https://www.purplemash.com/sch/greenfield-ol3
2. Spelling Shed: This is an online platform which your child can access providing a fun way they can learn and consolidate their spellings: https://www.spellingshed.com/
3. Times Tables Rock Stars: All children can practise their times tables and try to beat the clock. A fun way to improve their number skills: https://ttrockstars.com/

*Please ensure your child has their login details written down at home if they cannot remember their login details please ask the class teacher. If your child does not have access to the internet please not worry, keeping a diary or practising number problems will help them.

Please check the school website and class pages for the latest information from teachers regarding children's work or indeed information from school with the latest government updates on coronavirus: https://www.greenfieldprimaryschool.com/

We hope this information will be useful to you we feel it is better to be prepared in case there is a sudden closure of schools by government.

Yours sincerely

Mr M Wood
Headteacher
