10th January 2020

Dear Parents/Carers

On Wednesday 15th January we will hold our first ever Eco day. We have recently just established our Eco Council with the aim to make our school, wider community and even the world a more eco-friendly place.

Due to the devastating bush fires in Australia the Eco Council would like to incorporate our eco day with raising money to support the incredible work of the firefighters and to help the many people and animals affected by this tragedy. The Eco Council would like children to come to school dressed in green and/or yellow to show support for the people and animals in Australia. We are asking for a £1 donation for this.

During the day the children will be learning about topics such as, climate change, global warming and pollution and what small changes they can make to help prevent it from getting any worse. Each class will take part in a competition to design a poster that gives advice on the steps we can make to do our part to help this worthy cause.

We also want to encourage additional children to walk to school or park and stride on our Eco day and to bring a minimal waste packed lunch.

Thank you for your support.

Yours sincerely

Mrs K Greaves and the Eco Council
Eco Council Coordinator
