Excellence and Enjoyment for All

22nd February 2018

Dear Parent/Carer

I am writing to inform you that the proposals for a new school were approved last night by the Planning Committee of Oldham Council. The children and staff were really excited when they heard the news this morning. Some children arrived at school telling everyone their parents had told them about the new school and so I discussed it in assembly with all the children.

This is a huge success for the children at Greenfield and local surrounding areas. It is wonderful for Oldham Council to have approved the expansion and this development, which allows us to provide outstanding education to many more children over many years in a modern, up-to-date environment. The new and additional facilities will create so many more opportunities for our children.

Yours sincerely

Mr M Wood
