Excellence and Enjoyment for All

Dear Parents/Carers

Improving School Communications with ParentMail

From 11th September 2017 we will be upgrading to PMX – ParentMail's latest platform.

The benefits to this are that we now have more applications to use, meaning in the future we can use ParentMail to send home Forms, Permissions, Parents' Evening Notifications, Meeting and Event invitations as well as a free mobile App for you to pick up school communications on the go!

PMX will be beneficial to you because you can:

- Use a free mobile app on Android and iOS to pick up school messages instantly.
- Have an account simply for school messages (away from your busy email inbox!)
- Highlight important messages or archive old messages to make life easier.
- Messages can be sent directly to mums, dads and carers.

Registering with ParentMail is very easy! You will be sent a text message from ParentMail, when you receive this please just follow the instructions in the message.

Once registered, if you have an Android or Apple smartphone, we would highly recommend you download the ParentMail App for the best user experience. To do this, simply search for "ParentMail" in your App store.

Please be assured that ParentMail is registered with the Information Commissioner and guarantees that all information you provide will be kept private and will not be passed on to any other organisation.

If you need any additional information or assistance, please visit the help site: www.parentmail.co.uk/help/parenthelp/ or if you have not received any contact from ParentMail within 7 days please contact the school office.

Yours sincerely

Mr M Wood
