Plus b/f from 2023/24	£3,138.08
Estimated total amount of EYPP available 2024/25	£4,438.08

PROPOSED TOTAL EXPENDITURE for EYPP GRANT 2024-25

ITEM/PROJECT	COST	PURPOSE	OUTCOME/IMPACT
Develop the outdoor area	£1,235.61	The children who are entitled to EYPP are particularly interested in being outdoors. We will develop the area to further support this preference. Each area of the outdoor classroom will be considered when purchasing additional resources. These things include den making, large construction, sand play, water play, mud kitchen and gardening.	Children will learn within an inspiring outdoor area which supports their Physical Development, Understanding the World learning about nature and planting, sensory exploration with sand, water and mud. Their critical thinking skills, teamwork and creativity will be challenged with loose parts play and den-making.
Indoor sensory resources	£145.33 £101.69 Total: 247.32	Develop a bank of resources including malleable play trolley, bubble machines, dark dens, disco lights that stimulate the senses and add to the breadth of experiences provided.	Children will have their sensory needs met. They will have a wider understanding of concepts relating to all of their senses. Their fine motor strength will be improved.
	Total expenditure: £TBC Carried forward £
