21st May 2025

Dear Parents/Carers,

As we now come into our final term of year 4, I would like to take this opportunity to thank you for your support this year as I am sure it will continue through this summer term.

Maths:

- This term in maths we will be covering decimals, money, time, shape, statistics, position and direction.
- We are getting closer now to the national Multiplication Table Check (MTC). This will take place for all year 4 children between Monday 2nd June and Friday 13th June. All the children have been working extremely hard to master their times tables and I am so proud of them all. They should all have brought home their 'OUMTC' mock scores from our summer practice check. If you have any questions or concerns, please don't hesitate to get in touch. As we are now nearly at the all important MTC date, please make sure your child is keeping up with their TT Rockstars homework and practicing their times tables at home.

English:

- Our class novel this half term is *Sleepover Takeover*.
- Spellings are set weekly on Spelling Shed and in homework books. Please keep practicing these spellings. Homework books do not need to be brought in until **Wednesday** to give you time to practice them at home.
- Handwriting remains a priority. We are working on our handwriting in class during all sessions. I have given out lots of pen licenses this year and I'm sure this will continue through to the end of the year.

Reading:

- Reading is so important! Please try to read with your child at least 3 times per week at home and make a short comment in their reading record. I will check these every Friday. Their reading book and reading record should be in school every day to give them chance to show off their reading to an adult in school.

History/Geography:

- This term we will be covering two topics: 'What was it like to be a Roman?' before half term then 'Which way do we go?' after half term.

Science:

- This term in science we will be learning about habitats, deforestation, food chains and the digestive system.

Please make sure your child is dressed appropriately for PE on **Friday** every week. They should be in full PE kit, including black trainers. Their other PE lesson is swimming on a Monday afternoon.

We will be continuing our cornet lessons with Miss Howarth from Oldham Music Service on a Thursday afternoon. If your child is interested in continuing brass lessons next year, they should have received a letter with more information.

Thank you for your continued support.

Yours sincerely,

Mrs Sheldon
Lime Class/Year 4 Teacher
