Dear Parent/Carer

24th January 2024

We hope you have had a lovely Christmas break and we would like to wish you all a happy new year!

Your child is now beginning the second term in Reception. This will continue to be a busy time in their learning journey. Our topic for this term is 'Amazing Animals' where the children will discover different species, their habitats and the life cycles of various animals.

In phonics, we will be starting to learn level 3 sounds. We will send home activities which link to the sounds we are learning and the Reception class page will be updated with information and activities to help you support your child with their phonics.

PE lessons will now be on **Mondays**, so please send your child to school in their winter PE kit every **Monday**.

Please remember reading books need to be returned to school each day inside their yellow reading record. It is important that these books are read at home as often as possible to aid children's progress. We will change your child's reading book once they have become confident reading them.

Please also make sure your child comes to school with a labelled water bottle each day and that their school uniform and any other belongings are also labelled.

As always, we are on-hand daily if you wish to discuss any of the information included in this letter further.

Thanks for your continued support

Miss Humphries
