

School Council

2019-2020

Who are we?

The School Council is made up of Key Stage 2 children:

- two Year 3's
- two Year 4's
- two Year 5's
- four year 6's.

In Year 6 we have a School Council Head and a School Council Scribe.

- ▶ My name is Joseph.
- ▶ I am the Head of the School Council.
- ▶ I listen to everyone's ideas and have full responsibility of the School Council.
- ▶ It is my job to make sure that every child at our school stays happy and safe and the School Council this year are such a wonderful team to work with.

- ▶ My name is Isobel.
- ▶ I am the School Council Scribe.
- ▶ It is my job to take notes during our weekly meetings and jot down any key information to make sure we are taking into account everyone's ideas.
- ▶ Every week, the School Council meet to discuss recent events and ideas and I ask questions and offer ideas so I can collect information to write down.

What is our job?

- ▶ To make the school a better place.
- ▶ To share ideas and be a voice for all of the children in school.
- ▶ To make everyone feel happy and safe.
- ▶ To be kind to everyone.
- ▶ To set an example and be role models for the school.
- ▶ To try and make sure every single person is treated equally.
- ▶ To come up with lots of ideas and plan Whole School events.
- ▶ To attend weekly School Council meetings with Miss Cassinelli.

Oldham Council Chambers

22/11/2019 12:01

Why did we go?

- ▶ Greenfield Primary School are part of the Linking Project in Oldham.
- ▶ The school that we linked with for this School Council event was St Margaret's Church school in Oldham.
- ▶ We saw where the Mayor of Oldham sits when she has her Council meetings and spoke using the microphones that they use in the Chambers during these meetings.

Leadership

- ▶ During the day, we took part in lots of activities involving leadership.
- ▶ One of the activities was sorting the words in teams and all of the words linked to the word 'leadership'

Responsibility

Creative

Communication

Confidence

These words were important because if you put all of these words together in a person, it makes an amazing leader and as we are School Council members, we aim to be great leaders!

Team work

- ▶ We took part in lots of different games where we had to work as a team with members of both schools.
- ▶ Our favourite game was one where we had to think of words beginning with a letter that was pulled out of a hat.
- ▶ If more than one team had the same answer, they would not get a point.
- ▶ We really enjoyed it and had lots of fun!
- ▶ Miss Cassinelli got very competitive!

We are going to put you into teams of three and play a little game with you now.

Good luck!
You have 60 seconds
Your letter is....

Responsibility

- ▶ In our teams, we were also given the task of designing an object to represent and show leadership.
- ▶ We were given a choice to either design a game involving teamwork, a t-shirt or a badge.
- ▶ We had discussions with our teams involving using key leadership skills.
- ▶ We had to VOTE to give someone in our team the RESPONSIBILITY of being the Chief Executive and organise who played what role in creating our design.
- ▶ We then presented our final design which helped build our CONFIDENCE
- ▶ We were so excited to sit in the Mayor's chair!

Game Design

One team created a game involving:

- Teamwork skills
- and
- Leadership skills

T-shirt Designs and Badge design

In our School Council meeting we discussed what we enjoyed about the day...

- ▶ Jessie and Tommy said: “It was lovely to meet children from other schools and get to know them.”
- ▶ Harry said: “At the start of the day, nobody knew each other, but by the end of the day we made lots of new friends.”
- ▶ Grace said: “It was nice because we got to form teams with members of both schools.”
- ▶ Miller said: “I was placed in a team and I was the only member of Greenfield Primary School. I was very nervous at the start but by the end of the day I built lots of confidence, I enjoyed it and I made three new friends.”
- ▶ Isobel said: “Dinner time was lovely because we all sat with our new friends and got to know them even more.
- ▶ Alissia said: “I didn’t want to go home and leave my new friends. I hope we see them again soon.”
- ▶ Ella said: “I felt very important being inside the Council Chamber and speaking through the microphones.”

This year, we hope to plan more whole school events and want to make a difference!

We have already got lots of ideas!

We feel really lucky to be a School Council member in this amazing new school!

Thank you for listening to our presentation!
