Excellence and Enjoyment for All

Dear Parents/Carers

3rd September 2018

Before the Summer break, the School Council and I were in the process of developing a School Travel Plan which focuses on identifying areas for improvement in regard to the road safety of the school environment.

As a school, we understand that due to the location of the current and new building, there are several road safety concerns which need to be taken into consideration when your child is travelling to and from school.

Throughout meetings, the School Council have discussed possible recommendations in preparation for the new school building. These recommendations are stated below, and it would be beneficial for the research we are currently conducting if you could choose one option from below and write any additional comments regarding the road safety you may wish to add.

It would be greatly appreciated if your responses could be returned to school as soon as possible to help implement suggestions in preparation for the opening of the new school.

Yours sincerely

Miss Cassinelli
Year 1 Teacher

Please tick **one** option below that would help improve Road Safety on Chew Valley Road:-

Zebra Crossing

Lollipop Personnel

Pelican Crossing

Flashing Hazard Sign
