Excellence and Enjoyment for All

Dear Parents/Carers

15th December 2015

The School Council are completing a project on the local environment. Children have been concerned at the difficulties they have identified travelling to and from school. These amount to a lack of signs, poor road markings, parking on yellow lines and a very busy main road. On completion of their project they intend to share the information gathered with Local Authority Officers.

The children have requested I seek your views. Please complete the survey below and return to school tomorrow. Please tick the box showing your preference.

If you would like the School Council to discuss with Tesco about reserving parking places for a 'Park and Stride' scheme please tick here.
