

Dear Parents and Carers,

The PTA would like to welcome our new families as well as old friends to the coming new school year!

We would love to see some new faces at our PTA meetings, our next one being our AGM on 11th September, at The Wellington in Greenfield at 7.30. The more people we can enlist to help at events makes it enjoyable for all and raises more essential funds for the school.

We have 2 groups, PTA 1, which is the main group involved in decision making, the general running of the group and event planning. PTA 2 is for people that wish to volunteer at events when they have the time but don't want as much involvement.

This year our main aim has been to save for an Outdoor Classroom. We are at our target and are awaiting planning permission imminently so the classroom can be built.

Match funding is a simple way of maximising the fundraising efforts, it's an informal, albeit corporate, arrangement between a company and their employee. Not all companies offer matched funding but those that do will pledge a sum of money relating to the amount their employee has raised for or donated to the charity. Please find a copy of the majority of companies that fund match in the UK. Please let us know if you can help.

Thank you in advance for all the help fundraising and here are the events for the new school year. Any support is really welcome even if it's just an hour of your time it's so much appreciated!

Kind Regards,

Greenfield Primary School PTA
