

10th May 2019

Dear Parents/Carers

PIPS Fundraising

Your child will have brought home a “mug template” form to start your Mug Project to fundraise for PIPS. Before the current school is demolished after over 100 years of service, we’d like each child to create their own unique design of their memories of Greenfield Primary School using felt tip pens and pencil crayons, for best results. Please do not use glitter, fluorescent colours or stick anything onto the template, and make sure the drawings are within the black lines on the template. It’s a good idea for your child’s name to be included within the design along with the date. Your child’s design will be available to buy on a professionally printed mug, each mug costing £6.00.

If you wish to purchase one with your child’s design, complete all the information required on the form, returning payment in a sealed, named envelope addressed to PIPS. Please make cheques payable to Parents in Partnership (Greenfield Primary School) or the correct money. It is recommended that the template is returned as flat as possible and that the order form section is not removed.

You will need to return your order by Friday 24th May 2019.

Thank you for continuing to support Parents in Partnership (PIPS).
