29th April 2022

Dear Parent/Carer

It is lovely to see the children after two weeks Easter break. Many thanks for your involvement with all of the special activities last term. The children enjoyed the Number day, Dress to express day and all our Easter festivities.

We are now in the last term of the academic year. This half term the Nursery children will be learning all about traditional tales and then next half term we will be learning about growth and the Queen's Jubilee. Please ensure you have returned the Parent Declaration form if you claim funding for your child's Nursery place.

I would like to confirm that we have been able to accommodate all requested hours for the children who already have a Nursery place and are staying in Nursery from September 2022.

For the children who will be soon making their transition to Reception, this term is going to be particularly busy and exciting. Please let me know which school you have accepted a place at so that I can begin to prepare transition reports.

We will be holding a Graduation ceremony for these children in July. The date and time is to be confirmed in another letter. Parents are encouraged to attend this event, so I will inform you as soon as arrangements have been finalised.

Please can I remind you to send your child's 'school' (craft) bag back to school. As you know, this system helps us to keep organised with the children's creative work.

I have plans to develop our planting area outdoors. We have two large planters that are currently empty. I was thinking of creating a sensory garden and vegetable garden and we have already begun preparing our seed potatoes for planting. If any parents or grandparents have any cuttings of herbs in their garden that they would like to donate to Nursery, please let a member of staff know. Any suggestions for this project are welcome as I am not particularly green fingered!

As always, the staff are looking forward to another exciting term supporting each of our children in their learning and development.

Kind regards

Rebecca Mubiru
Nursery Manager
