12th February 2021

Dear Parents/Carers

Microsoft Teams accounts have been created for Nursery children. Following government guidelines our Nursery has continued to offer care and education for all children during this national lockdown. Therefore, teams will only be used to communicate with Nursery children and families if the whole class are asked to isolate. If this does happen, I will hold daily live sessions for you to access with your child. This would include stories and singing as well as time to chat and listen to one another. The attached slip includes your child's username and password for Microsoft Teams. Please note, from experience other class teachers have shared, Teams works best when the app is downloaded onto a device as opposed to using the browser version.

May I take this opportunity to thank you for your continued support.

Kind regards

Rebecca Mubiru
Nursery Manager
