Headteacher: Mr M Wood M.Ed.

29th January 2021

Dear Parents/Carers

I am writing to inform you that an activation email should have been sent to you regarding your child's Tapestry Online Learning Journal. This email should be on the address you specified when giving school permission to set up a 'relative' profile. If you have not noticed this email, please have a check in your inbox and junk mail. Please notify your class teacher of any issues with activating your account.

For those parents who already had a Tapestry account with us last year, your login details should still be active. Please log in to view recent observations of your child's learning.

For those of you whose children are learning from home at the moment, Tapestry is the ideal platform for you to post photographs and videos of your child's learning. These could be things your child has been asked to complete by their teacher, or special things you would like to share with school for example significant experiences or new learning your child has accomplished. It is often an incentive for children to produce their best work if they know the class teacher will be able to see it. Staff endeavour to comment on observations you post to your child's learning journal so that your child can also receive feedback.

For those parents who have recently posted and/or commented on observations, thank you. We look forward to using this medium as another way to strengthen the partnership with parents in our Early Years classes.

Kind regards,

Yours sincerely

R Mubiru

Nursery Manager/EYFS Co-ordinator
