27th February 2020

Dear Parent/Carer,

I am writing to inform you of the arrangements for the Nursery children for this year's **World Book Day on Wednesday 4th March 2020**.

This year, the whole school theme will be Harry Potter. In Nursery we are going to open this theme up to call it 'The Magic of Reading'. We will be including the stories 'Room on the Broom' and 'Winnie the Witch'. Your child will take part in a range of themed activities throughout the week, so do not worry if your child does not attend Nursery on Thursdays, they will also be included in this learning on the days they are in.

On World Book Day, Nursery children are invited to dress up in anything magical. Some ideas might include Harry Potter themed costumes, witches, wizards, fairies, unicorns, superheroes and princesses. Your child is also welcome to bring a book in from home if you wish. Please make sure any books from home have your child's name clearly written on the inside cover so that none get lost or mixed up.

Secondly, we would like to invite adults from home to come and read with us on this day. We will have two shared reading sessions, one in the morning and another one in the afternoon. The morning session will be from 8:30am to 9:30am and the afternoon session will be from 2:30pm to 3:30pm. We plan for you to join your child and read with them and their friend's for the first part of the session, then we will sing some songs together before you leave.

If you are able to attend one of the reading sessions, please let a member of staff know and we will add you to our list. We apologise for the short notice and understand that some parents may have other commitments such as work on this day. Other family members are also welcome. Alternatively, your child will be included in a group with another parent or member of staff so please do not worry too much if you are unable to make it. We are looking forward to sharing the magic of reading together with you. Thanks for your continued support.

Yours sincerely

Rebecca Mubiru
Nursery Manager
