Dear Parent / Carer

## An easier way for you to make school payments

From September 2022 we will be using Online Payments on IRIS ParentMail – an online payment service which allows you to pay for school dinners quickly and easily on your smartphone, tablet or computer.

From September 2022, you will be able to pay for school meal charges via this method and we will send out further details next half term.

Initially we will only be taking school meal payments electronically. All other payments, for example school trips, are to be paid in the existing way.

We will be trialling these electronic payments with Year 5 children from June 2022, before the full roll-out to other classes in September 2022.

We hope you find online payments to your advantage.

Yours sincerely

Mr M Wood  
Head Teacher
