Our stars this week!

Reception/Y1	Rupert
Year 1	Harper
Year 2	Marina and Rayne
Year 3	Jack H
Year 4	Noah
Year 4/5	Poppy
Year 5	Oliver, Niamh and Lillie

This week's news

Our **Year 5s and 6s** were visited by the engineering company **Tony Gee and Partners** who are currently working on redesigning **Greenfield and Mossley train stations**. The engineer who visited showed them pictures of what **Greenfield train station** will look like once engineering works are completed. The **Year 5s and 6s** also found out what a job in engineering was like and had to devise their own towers. At the end of their activity, an earthquake was simulated and the children had to see if their towers were stable enough to survive!

Over the past two weeks, our **Year 5 and 6** children have also been taking part in **Bikeability**. They have been riding confidently on local roads and have learnt about road safety, signalling and how to navigate traffic. It has been lovely to see their confidence developing!

A huge well done to parents, carers and children who joined **Team Greenfield** to run this year's **Race for Life** and raised an amazing **£1154** for charity!

The children in our school who are part of **Rock Steady** bands performed an end of year concert last Friday, where they could show off everything they had been learning throughout the year to the rest of the school and their parents/carers. Well done to everyone who has worked so hard all year and showed lots of courage performing in front of such a huge crowd!

We are welcoming two new teachers in our next academic year—**Miss Harper**, who will be teaching one of our **Year 5** classes, and **Miss Broadbent**, who will be teaching one of our **Year 3** classes. Both of our new teachers are so excited to meet their new classes in September!

This year's **Summer Reading Challenge** ran by Oldham libraries started on Saturday 12th July. All children have to do is read 6 books over the summer (or create their own personal challenge). Anyone who completes the challenge will be rewarded a certificate and medal which we would love to see back in school in September to celebrate in one of our Friday assemblies! To join, children can visit any Oldham library. The challenge runs until Saturday 6th September.

More News

We had an amazing day for **Greenfield Fun Fest** on Saturday 12th July! It was a day to remember with amazing weather and so many people attending. It was wonderful to see so many families, friends, and members of the community enjoying the wide variety of stalls, games, food and entertainment on offer. A huge thank you to our amazing PTA for organising such a brilliant event. Your hard work, planning, and countless hours behind the scenes made it all possible - and it definitely paid off! We would also like to say a massive thank you and well done to Liz Mooney, our PTA Chair, whose dedication and effort makes these events possible.

We had a fantastic day on Wednesday for our **Inner Strengths Day**! It was amazing to see all of our Inner Strengths in action with so many different activities. We loved seeing so many parents and carers getting involved and, for those children whose parents couldn't attend, it was equally wonderful to see classmates working together and supporting each other. Thank you to everyone who helped make the day a success!

Star Writers this week!

Year 2	Isla and Jude
Year 3	Lola
Year 4	Esma
Year 4/5	Max
Year 6	Aoife, Sammy and Violet

Maths Stars this week!

Year 2	Bobby and Ezra
Year 3	Jasmine
Year 4	George
Year 4/5	Theoden
Year 6	James

Goodbyes!

It's such a busy time for our **Year 6s**! Firstly, a huge well done for putting on such a fantastic end-of-year show - "I'm an 11 Year Old... Get Me Out of Here!" The performances were full of brilliant dancing, funny moments, and so much personality. They were so brave performing in front of big crowds, and the whole show was a joy to watch. It was a lovely way to end the year - we're so proud of you all!

The children also had a super time at Hollywood Bowl last Friday for their end of year trip to celebrate the hard work they had shown during SATs week.

Well done for your amazing SATs **results** Year 6, which can be seen on this table.

Subject	Percentage of pupils achieving the expected standard				Average scaled score	
	School Expected Standard	Nationally	School Greater Depth Standard	National Greater Depth Standard	School	Nationally
Reading	66.7%	75%	43.3%	28%	104.9	106
Grammar, Punctuation & Spelling	73.3%	73%	36.7%	32%	105.4	105
Maths	83.3%	74%	20%	24%	104.8	105
Writing	73.3%	72%	10%	13%		
Science	86.7%	82%				
Reading, Writing and Maths Combined	66.7	62%				

Unfortunately we are saying goodbye to **Mrs Mitchell** after 8 years as she is leaving us this summer. She has supported many children across the school and currently works in our Year 6 class. We are also saying goodbye to **Miss Okoro** who has helped lots of children in Reception throughout the year. Thank you both for everything you have done and we wish you both lots of luck in your next chapters.

On Monday, we celebrated our **Nursery Graduation** in school! We are so proud of all of our Nursery children and know they will continue to shine whether they continue their journey at our school or another. Well done to all of the children!

A huge thank you to all our parents and carers for your continued support throughout the year. We wish you and your families a restful and enjoyable summer!

Well done to **Maple class** who won our attendance award on 11.07.25 with **99%** attendance! They won 10 minutes of extra break.

Our current whole school attendance is **95.2%** for this academic year and our target is **96%**.
