This week's news

We have had a very busy couple of weeks containing lots of **Sports Days**! Well done to all children who got involved with so many races—we loved seeing everyone's enthusiasm and teamwork and we even got some parents and teachers racing too!

This week, the children in our brass band and choir went to the Queen Elizabeth Hall to take part in Oldham **Music Festival**. They represented our school amazingly and showed lots of bravery performing on stage in front of lots of other schools! Our brass band played some different songs that they had been learning, including Slaidburn, and our choir performed the songs including A Million Dreams.

Our **Year 3** children greeted their friends from Year 4 at Coppice Primary School when they came to visit us this week. They created spaghetti and marshmallow towers and went over to the field to play rounders!

All children in school had lots of fun during '**Moving Up Day**' yesterday. The children went to see what their new classrooms were like and spent some time getting to know their new teachers. Lots of classes created some fabulous art-work for their new classrooms and did plenty of games. Our Year 6 children who will be moving on to Saddleworth School in September spent this day at their new school. They got to look round and found out which form they would be in next year!

More News

Year 5 have been investigating the effects of evaporation and conducted an experiment to see how we can use evaporation to separate materials. We used salty water to paint pictures and left our artwork in the sun. When we came back to check on them, the water had disappeared but the salt had returned!

Our **School Council** went to the council chambers last week. Whilst there, they saw where council meetings are held. They also met Oldham's Mayor Eddie Moores. The children got to ask our mayor lots of different questions and also visited the Mayor's Parlour.

Following their History topic all about what it was like in our country during World War Two, our **Year 4 and Year 4/5** children had a visit from one of our school governor's Mary Hewson last week. Mary lived in London during the war and the children were so fascinated to hear her first-hand experience of what London was like during this time, especially what happened during air raids. This week, both classes visited Stockport Air Raid Shelter. They experienced the conditions that people lived in if they were evacuees and saw what being inside an air raid shelter was like.

Our **Year 5 and 6 girls' football team** took part in their final match last week. We have been so impressed by the effort, teamwork and resilience shown by the whole team and have really noticed how much every player has developed their skills throughout the year! Special awards were presented to the following children: Georgiana won the 'Top Scorer' award, Mollie won 'Players' Player' and Evie won 'Manager's Player'. Well done to everyone who has dedicated their time to our football team this year!

We have recently had the wonderful news that **Miss Cassinelli** has given birth to a beautiful baby girl! Nora Elizabeth Grainger was born on 8th June at 9:18 am weighing 6lb 10oz. Miss Cassinelli and Nora are both doing well and she can't wait to bring her into school to meet all of the children when she has caught up on some sleep!

We would like to say a big thank you and well done to the following Year 6 prefects, who all received Star of the Week for the super work they did when helping out during Sports Days this week! Well done Nieve, Finlay, Bradley, Ollie D, Evie and Nancy!

Well done to **Maple class** who won our attendance award on 27.06.25 with **98.3%** attendance and **Juni-per class** who won on 04.07.25 with **96.2%** attendance! Both classes won 10 minutes extra break!

Our current whole school attendance is **95.2%** for this academic year and our target is **96%**.
