This week's news

On Monday, our children all came to school wearing red and yellow as we celebrated **Spanish Day!** Some children even wore traditional Spanish outfits and everyone looked fantastic! Throughout the day, pupils took part in lots of fun Spanish-themed activities including creative Spanish art inspired by artists like Gaudi and making our own Spanish masks! Our classes who have Dance lessons on a Monday also enjoyed some salsa dancing, and we had a Spanish-themed lunch for dinner!

Year 5 have been focusing on life cycles in their Science lessons recently and have been looking at the different reproductive parts of plants to understand how new plants are formed. They had to be real scientists and dissect plants to find the different parts that they had learnt about.

Donations required!

We are creating a **scrap store play hut** in the wooded area of the playground to extend the possibilities of play for all children at our school. Children will need to be inventive and creative to use a range of scrap materials (including cardboard tubes, tyres, netting, ropes, crates, bins, fabric, clothing, boxes etc.) in a variety of imaginative ways.

The more choice and variety we can offer, the better the play experience so we are looking for **donations towards this project**. If you have any items that would suit, please speak to Mr Cooke or Miss Egan.

We are hoping to eventually add a sensory garden, planters around school, activity walls, removable game boards and outdoor artwork, all made from recycled materials to improve our outdoor areas.

We would like to thank Pete, Luke, Nadia and the whole Robert Scott and Sons team for the incredible donations so far, as well as Sandra and the whole team at Hartley Botanical for the donations to our gardening club in their efforts to grow awesome fruit and vegetables. Thank you in advance!
