## This week's news

Key Stage Two enjoyed a **rowing** event recently, where we had to compete against other Oldham schools. Each child had to get the highest score possible to add to their class average! A special well done to Joshua, Raffaello, Fynn, Louie and Georgiana who got the highest score in their year groups.

Our new team of **Health Champions** have been working hard to set up a calm area in our playground. Children can access the calm area within the outdoor classroom during lunch times, where they can enjoy lots of relaxing activities including mindful colouring, games and fidget toys.

This week, our **school choir** performed at St. Mary's Church on Wednesday evening as part of the Flower Festival to celebrate the start of spring. Well done to everybody who took part for being so brave performing in front of a busy church. They represented our school incredibly.

Our **Year 1** children have been doing some gardening this week! They have been planting cress and strawberries as part of their Science topic, and have had to investigate different ways to make sure their plants grow. The children are going to use their experiences to write their own instructions on how to grow cress!

## More News

We had a **VE Day celebration day** on 8th May to commemorate the 80th anniversary of VE day. Everyone came to school dressed in red, white and blue and we enjoyed a themed lunch in paper bags that children had decorated themselves. We also took part in a 1940s dance workshop where we learnt new dances and found out how dancing was different when World War Two was happening. We would also like to say a big thank you to Joan, who brought in lots of artefacts from World War Two that the children loved exploring.

### Important Update: 2-Year-Old Provision

Dear Parents and Carers,  
Following a unanimous decision by the Governing Body, Greenfield Primary School will be discontinuing our 2-year-old provision from September 2025. This decision was made to support improvements in our early years curriculum and to strengthen outcomes for our FS1 children.

We appreciate that this may be disappointing news for some families. If you would like support finding alternative provision, please contact the school office.

Thank you for your understanding and continued support.

Kind regards,  
Mr B Storey

### Golden Lunchbox Winners

The winners of our golden lunchbox for earning the most pom poms from midday teachers were:

Infants—Maple class get to choose one lesson to swap with another!

Juniors—Oak class get to enjoy one lesson outdoors on our benches.
