This week's news

Last week was **British Science Week**. To celebrate this, each class looked at a different important scientist and created some fantastic double page spreads on these people to present their research. Mrs Lewthwaite also challenged each class to take part in the Curly Wurly Challenge. We had to use different forces to stretch a Curly Wurly and see how long we could make it!

The children in Miss Humphries' and Miss Ellery's class also looked at what sugary drinks would do to eggs over a couple of days and discovered that they made the eggs bounce!

Tabitha's dad from Year 1 also visited every class to explain to the children how he uses Science in his job as a biomedic.

Important message:

It is becoming increasingly difficult for Mr Cooke to lock the school gates by 3:30pm due to lots of children and parents staying on the playground and trim trail after collection times.

We kindly ask that parents and carers vacate the playground as soon as possible after collecting your children to enable Mr Cooke to lock the gates promptly to ensure after school clubs can safely run in the playground.

We would also like to remind parents and carers to ensure their children are behaving in a safe manner and treating our school property, such as fences, bins and other playground equipment with respect at this time. Thank you for your co-operation.

Each week, we have a challenge to see which class can collect the most pom poms from our midday teachers at dinner time. Children can earn these pom poms by having super manners, excellent listening skills, being a great friend and other ways of following the school rules.

The winning class receives a special prize out of our golden lunchbox!

Last week, Miss Cassinelli's Year 2 class won in Key Stage 1, earning the treat of bringing their own toys into school.

The Year 6s won for the Key Stage 2 and earned an iPad afternoon!

More News

For **World Book Day**, we all dressed up as our favourite book characters. Miss Egan organised a book tasting event for the junior classes, where we were introduced to lots of new books whilst enjoying a biscuit. Junior classes also went to share a story with children in an infant class. Take a look at some of our amazing outfits!

Miss Cassinelli and Mrs Snape have been very proud of their **Year 2 classes** this week who did some fantastic showing off jobs as part of their assessment week. The children have made some amazing progress and their effort has been incredible!

The **Year 1** children in Miss Ellery's class have been orienteering around the school as part of their Geography topic. They have build on their geographical skills and made their own maps of the school!

On 14th March, **Year 3** visited the Castleshaw Centre as part of their linking project with Coppice Primary School, where they took part in orienteering using maps!
