4. To ensure that pupils use the internet safely and to encourage parents to be alert and vigilant to the dangers their children might face.
5. To ensure that staff and pupils report any concerns to the headteacher immediately.
6. To build strong links with the appropriate outside agencies so that where the school needs specialist help and support it will be activated promptly.

3. To ensure that all staff are alert to recognise signs that pupils are in danger of being radicalised and drawn into extremism through completion of Prevent Training.
4. To to teach a broad and balanced curriculum which promotes the spiritual, moral, cultural, mental and physical development of pupils and to prepare them for the opportunities, responsibilities and experiences of life.
5. To ensure that through teaching pupils about the importance of keeping safe that they are alerted to those who might wish to do them harm by radicalising them or drawing them into extremism.
6. By raising awareness of safe use of the internet both in school and at home that pupils are alerted to those who would wish to harm them.
7. To provide awareness raising training for the staff so that they use this policy appropriately.
