31st January 2022

Dear Parents/Carers

On Friday 4th February 2022 school will be taking part in the NSPCC Number Day. This day is designed not only to promote number in schools but also to spread awareness of the NSPCC and the role they play in society today.

As part of the day children will take part in a variety of activities linked to number. These may include games and activities such as counting, songs, treasure hunts, playing cards or dominoes or timed sporting activities such as how many star jumps can we do in 30 seconds?

On this day, we would also like to invite children to come to school dressed as something number related, this could be something creative such as a dice, playing cards or dominoes costumes or you could keep it simple with clothing which contains a number such as a football shirt.

Thank you for your continued support.

Yours sincerely

Rebecca Mubiru
Nursery Manager
