*Excellence and Enjoyment for All*

28<sup>th</sup> September 2018

Dear Parents/Carers

Did you know that more children and young people than ever before are seeking help and support with their mental health and emotional well-being? At Greenfield Primary School we recognise the huge importance of raising the awareness of children and young people's mental health and supporting them through tough times. We believe that all young minds should be supported and empowered, whatever the challenges.

It will be World Mental Health Day on **Wednesday 10<sup>th</sup> October** and we are asking staff, parents and pupils to help raise money for a charity called 'Young Minds'. 'Young Minds' are helping raise vital funds for children and young people's mental health through their #HelloYellow campaign. We are asking pupils to come to school on World Mental Health Day dressed in as much yellow as possible and to bring to school a **£1 donation** for the 'Young Minds' charity. During the day the pupils and staff will also take part in activities and discussions in their classrooms which will promote positive mental health.

We hope that you will join us in recognising the importance of raising the awareness of children and young people's mental health and emotional well-being.

Many thanks for your continued help and support.

Yours sincerely

Mrs C Snape  
SENCo
