Dear Parents and Carers,

I am delighted to attach a copy of the school's Ofsted inspection report.

As you will be aware, Ofsted carried out a graded inspection of Greenfield Primary School on Tuesday 12th and Wednesday 13th November 2024. This was the first inspection for the school in 10 years. During this time the Ofsted framework has changed significantly, with a focus now firmly on curriculum design and implementation as opposed to data.

I am hugely proud of the staff and children of Greenfield Primary School, and I think that this report reflects the hard work and commitment of all. It is an accurate snapshot of the school as we are currently, and I am truly excited about the direction of the school for the future.

I would like to take this opportunity to thank everyone for their continued support. It has been a long but exceptionally rewarding first term for me personally and I look forward to continuing to work to ensure that the children of Greenfield Primary School receive the best possible education in an environment where all feel happy and safe. This report is just the beginning in a very exciting journey for our school!

Many thanks,

Mr Storey
Headteacher
