Year 1/2	Rupert
Year 2	Edith
Year 3	Lucy S & Erin
Year 4	Francesca
Year 5	Eli & Hollie
Year 6	Erin

Important Message: Labelling belongings

We'd like to remind all parents and carers to clearly label every item of your child's school uniform, **coat and other belongings such as lunchboxes** with their name. Each day, our helpful prefects collect a huge amount of jumpers, fleeces and cardigans that have been left outside or around the school. When items are named, we can quickly return them to their rightful owners. However, when they're not labelled, it becomes almost impossible to find who they belong to — and our lost property is becoming full of un-labelled items. Please take a few minutes to check that your child's belongings are clearly marked — even initials can make a big difference! Thank you for helping us keep uniform items out of lost property and back with their owners.

This week's news

Our Year 5s have been very busy this week! On Tuesday, **Hazel Class** enjoyed a walk to our local **Greenfield Library**, where they spent time exploring books and learning more about how to use the library's resources. **Elder Class** will also be visiting the library next Tuesday — we know they're looking forward to it! Back in the classroom, Year 5 have also been diving into their **Vikings** topic, creating some fantastic **Viking brooches using clay**. The children showed great creativity and attention to detail in their designs — we can't wait to see the finished pieces!

We're thrilled to announce that our PTA has rebranded and is now known as **FROGS — Friends and Relatives Of Greenfield School!** The new name reflects our community of parents, carers, staff and friends all working together to support our school. To keep up to date with the events and activities led by FROGS, please visit their blog at greenfieldprimarypta.home.blog

More News

Miss Porter is very excited to announce that her new **Health Champion** team have been selected. These children will be in charge of promoting positive physical and mental health and wellbeing throughout our school with the help of three training sessions at Oldham Active. A huge well done to Leia, Sebastian, Olivia C, Olivia J, Eli, Esma, Theo D and Niamh!

Our new **Year 5 and 6 boys' football team** visited Oldham Leisure Centre for their first two football matches of the new year on Wednesday. Mr Storey was so impressed with the inner strengths that each member of the team showed off, especially their cooperation, resilience and the way that they went the extra mile. As a result, they won both matches they played with scores of 7-0 and 4-0! A special well done to **Hudson** who won player of the match.

It was our **Cross Country** team's first race of the new academic year today and we were blown away by the resilience and effort that the whole team showed! We have had a super start to the new year, and want to give a special well done to **Isabel (Y6)** who came first in the Year 5 and 6 girls' race, **Mabel (Y3)** who came second in the Year 3 and 4 girls' race, **Alex (Y6)** who came second in the Year 5 and 6 boys' race and **Joshua (Y4)** who came third in the Year 3 and 4 boys' race.

We were delighted to welcome Helen Charles, a team leader for the Greenfield team in the **Saddleworth Olympics**, into school for a special assembly on Thursday. During the assembly, Helen told us all about the Saddleworth Olympics, including the different teams that partake and the sports that children can get involved in. Lots of children from our school have been involved in many sports over the past 3 weeks, and in the assembly anyone who couldn't attend the presentation evening received their medals. Well done everyone!

Inner Strength of the newsletter: **Resilience**

Resilience means keeping going and trying your best, even when things are tough or don't go right at first.

"Fall seven times, stand up eight."
- Japanese Proverb

Mistakes are proof that you are trying.

GREENFIELD PRIMARY PTA
