Wednesday 17th December 2-3pm

Thursday 18th December 2-3pm

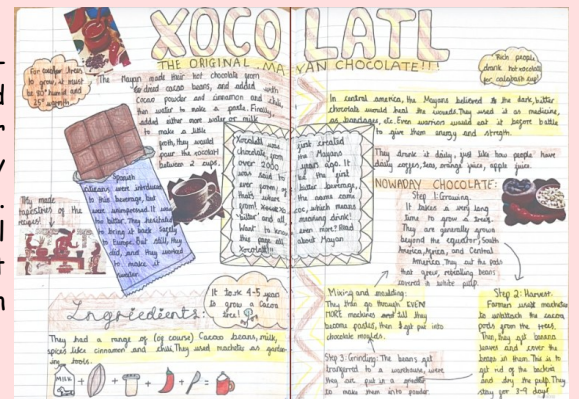

Inner Strength of the newsletter: **Co-operation**

Co-operation means working together, sharing ideas and collaborating to reach a goal.

This week's news

A huge well done to our **Year 6** children who held their first class assembly yesterday. They told the rest of the Key Stage Two children and their family members all about the work they had been doing in their History lessons linked to the Ancient Maya and also shared how they had linked this to the rest of the curriculum, including Art and English. Their parents and family members were very impressed to hear about all of the hard work they had been doing and also got chance to look at some of this amazing work! Well done for all of your bravery when standing up and speaking in front of so many people.

On Tuesday, our **Year 4** class had a special Science workshop called H2O Here We Go, where they found out all about how our water cycle worked. They took part in some interactive activities and also learned more about how they can help to save water.

More News

Our **Year 3** children have been getting creative this week! As part of their History topic all about the Stone Age, they created their own cave paintings in Stone Age style. They drew our school and playground!

This week, our **Nursery** children went on a wonderful autumn walk! With the help of our lovely parent volunteers, the children explored the changing season and looked out for signs of autumn all around them including colourful falling leaves and acorns.

We would like to say a special thank you to 4 children who gave up their time after the Spooky Disco to stay behind and help to tidy up our school. These children were celebrated in assembly with a little treat. A huge well done and thank you to **Nathan, Amalia, Rayan and Sebastian** for your respect and care!

Our School Council have been busy coming up with some brilliant new rewards that children can spend their hard-earned **Dojos** on! After listening to ideas from their classes, the council have created shops for different ages containing things that children can spend their Dojos on after saving up! These shops can be seen on the next page of our newsletter.

On 10th October, we came to school dressed in yellow to celebrate **Hello Yellow Day** and raise money for World Mental Health Day. Thanks to so many generous donations, we raised an amazing £248.16 for charity. Thank you so much to everyone who donated.
