Inner Strength of the newsletter:

Gratitude

Gratitude is noticing the good things around you, showing you care by saying thank you and looking after them.

Communication with School Staff

At Greenfield, we are committed to positive and timely communication with parents and carers. To ensure messages are logged and followed up appropriately, all initial contact about concerns or questions should be made through the school office (by phone or email). Teachers are not expected to check or respond to emails outside of their working hours, and their direct email addresses are not routinely shared with parents. This is to protect staff wellbeing and allow them to maintain a healthy work-life balanced. We kindly ask that parents do not contact staff on their personal email addresses or expect replies during evenings or weekends.

This week's news

Last Friday, we were delighted to welcome families into school for our **Christmas Rocksteady concert**. Our bands performed songs for the rest of the school and their families, showing off all the hard work they have put in throughout the term. Well done for all of your bravery and enthusiasm!

Well done to all of the young musicians in our school **choir and brass band** who performed in a joint concert with Boarshurst Silver Band. The children had worked hard to prepare a wide variety of music to perform and they were absolute professionals on the night. Well done to all these young musicians!

Christmas Fun!

Take a look at the festivities we have been enjoying in school, including Christmas Jumper Day and our Christmas parties!

We are so proud of our **EYFS and Key Stage 1** children who have impressed huge audiences this week with their fantastic Christmas shows, *A Wriggly Nativity* and *Bethlehem's Buzzin'*. They were so confident on stage and really showed off their inner strength of bravery! Well done to everyone involved, including all of the staff, parents and carers who made the shows a success.

Well done to Birch class who won our attendance award on 12th December with 99.3% attendance and Ash class who won on 19th December with 98.7% attendance! Both classes won 10 minutes extra break!

Our current whole school attendance is 96.1% for this academic year and our target is 96%.

More News

Last Tuesday, we all enjoyed a fantastic **Christmas Dinner Day** at school. Our Year 6 children had an extra special celebration to make sure that their final Christmas dinner with us was one to remember!

Last week, every class had an exciting visit from a **Planetarium Dome** organised by our PTA! The children were amazed as they stepped inside for an immersive learning experience, watching a film all about an alien who stole Christmas. A huge thank you to the PTA for organising this opportunity!

Our **Year 4 children** visited St Mary's Church to take part in Experience Christmas this week. They met some children from St Mary's Primary School and joined in with lots of different activities which taught them all about the Christmas story.

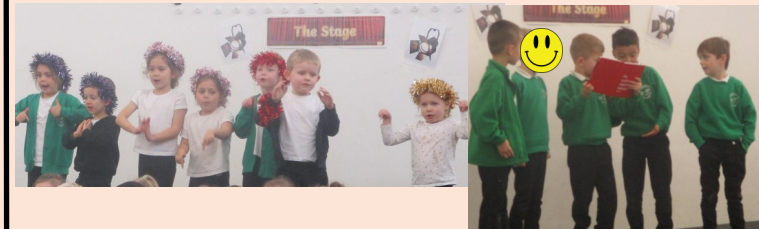

Our **Christmas Fair** was a wonderful festive occasion with a range of stalls, games and crafts on offer. We would like to say a huge thank you to all of the parent and staff volunteers who gave their time to support the event and a special thank you to the FRoGs for organising another successful fair!

Some of our **Year 6 prefects** enjoyed a festive visit to St Mary's Church this week to take part in their Christmas Tree Festival. The children made their own decorations and then decorated a lovely tree at the church.

We had an amazing afternoon at our **EYFS and Key Stage 1 Talent Show!** The children wowed us with their confidence and creativity—there was so much talent on display! A huge well done to everyone who took part and a special congratulations to Reception, who took first place with their version of the song Nazareth!

Message about parking near school:

A kind reminder to parents and carers of the importance of being respectful to our neighbours during drop-off and collection times. Whilst we understand how busy these parts of the day are, it is essential that considerate parking and courteous behaviour are maintained at all times to keep our community safe, positive and supportive for all. Thank you.

Thank you for reading! We hope you all have a fantastic Christmas break and will see you back in school in January 2026!
