This week's news

We would like to say a huge well done to **Maple and Juniper classes** who delivered their class assembly recently all about Mother's Day. The children were so brave speaking in front of a huge audience and even handed out daffodils at the end!

Our **Year 6** children have been learning all about evolution and natural selection and this week had to use different tools as beaks to see which birds would be able to collect the most food and be able to survive the longest!

Miss Harper's Year 5 class have been making the most of the lovely weather we have been enjoying lately with some outdoor learning! They completed their most recent PSHE lesson all about spending money wisely in our outdoor classroom last week.

We celebrated **Red Nose Day** on Friday by coming to school dressed in our pyjamas! It was a really fun way to show our support and help make a difference. Thank you to everyone for your generous donations and also to our School Council for organising the day.

We have lots of fun stuff coming up including Year 6's residential to Robinwood, Easter church visits and our Easter bonnet and egg decoration competition. Check our next newsletter to see pictures of all of this!

More News

Hazel and Elder class recently enjoyed a visit to Ordsall Hall as part of their History topic all about the Tudors. During the trip, the children explored what Tudor buildings were like, experienced a Tudor feast and found out what life was like for rich and poor Tudors.

Last week, some of our Key Stage Two children took part in a **cross country** event and did an amazing job. We were really proud of their hard work and determination. A special well done to the following children who won medals: Isabel, Alex, Max and Grayson!

We had a lovely **Easter Assembly** yesterday shared with Reverend Barbara. The children enjoyed singing different Easter songs and some of our Key Stage Two children did a fabulous job delivering readings.

Staffing Updates

We're sad to be saying goodbye to **Miss Ellery** at the end of Spring Term as she moves to a new teaching role closer to home. We would like to thank her for all she has done and wish her lots of luck in her next chapter. Miss Egan will be teaching Yew Class for Summer 1.

We are also saying a sad goodbye to **Miss Rogerson**, who has supported lots of our Key Stage Two children. We wish her all the best as she moves on to a new role.

Our final goodbye goes to **Miss Walker**, who has helped in lots of classes over the years and has most recently worked in our Nursery. Miss Walker will be really missed and we would like to thank her for all the help she has provided over the years!

A little update from FROGS

This academic year has already brought some exciting firsts. Last Friday we held the school's first *Drop & Go* Spring Discos, supported by our wonderful staff and Mr Storey, along with our fantastic volunteers. Both discos were lovely events and the children had a great time.

We'll be inviting our Year 6 pupils to take part in a fundraising challenge. All proceeds will go directly towards their Leavers' Party in July. Letters with further information will be sent out this week.

We've been asked to support with some improvements to the playground, so please keep an eye (and ear!) out for updates. Planned additions include a music wall, a 'loose parts' play area and a tyre area.

The current wish list includes: bags of sand, woodchips, pebbles, small wooden cable reels, boards and planks (no splinters), tarpaulin, toy dinosaurs, trucks and cars. If you have any of these items you'd be happy to donate for pupils to use, please email greenfieldpspta@gmail.com or message Maarja Apostol on 07541 955264.

Second-hand uniform: Please check the clothing racks in reception for pre-loved uniform. Voluntary cash donations can be placed in the box in reception, with all proceeds going to FROGS and back into supporting the school. Emmaus in Mossley also offers donated school uniform items free of charge. Wishing everyone a very Happy Easter and a lovely two-week break!
