This week's news

We have had a special delivery in EYFS! Our **Nursery and Reception** children were shocked to find some caterpillars in their classroom! After reading *The Very Hungry Caterpillar*, the children are eagerly waiting to see if they will transform into butterflies—we'll let you know!

We had a visit from a fire truck last week which our **Year 5** classes went to have a look at. The children had a good look around the engine and found out lots about its different features.

We were lucky enough to host the company **Mad Science** for a special assembly this Wednesday! We were blown away by the different experiments we saw, including 'fire hands'! Mad Science will be a running an after school club for any children interested in conducting their own Science experiments!

Playground Tidiness: We would like to kindly remind all parents and carers of the importance of leaving the playground tidy at the end of the school day. Recently, a number of items such as cones and other equipment have been left out after pick-up, which creates additional work for staff.

Please ensure your child is not taking equipment out of the storage bins or the EYFS smaller playground once the school day is finished so that the playground is left as it was found ready for the next school day.

Thank you for your support in helping us maintain our school environment.

Donations needed!

Our Nursery is looking for **donations of pre-loved kitchen utensils** for our mud kitchen. If you have any items to spare, please drop these off either with Rebecca in Nursery or at our front office. Thank you!

Easter Fun!

Before half term, our **Year 3** classes visited St. Mary's Church, where they took part in Experience Easter. The children met other Year 3s from St. Mary's School and completed a carousel of different activities in which they found out all about Easter.

On our last day of Spring term, we were delighted to celebrate the children's creativity with our Easter competitions—the Easter bonnet parade for Key Stage One and the decorated egg competition for Key Stage Two. The standard was so high, making it very tricky to choose winners for our categories of most topical, most attractive and funniest. A huge well done to all the children (and their parents!) for the time, effort and creativity that went into these egg-cellent creations! Some of our eggs were also displayed in Tesco Greenfield as a huge thank you to Tesco for donating us the Easter eggs that were used as prizes for the competitions!

	Most attractive	Most topical	Funniest
Reception	Bohden and Nancy	Willow and Ivy	Lottie and Bobby
Year 1	Ayra	Vivi	Freddie
Year 1/2	Marley	Henry	Elsie
Year 2	Harper	Eric	Daphne
Year 3	Ava and Freya	George E and Isla	Hattie and Fergus
Year 4	Harmony	Joshua	Noah
Year 5	Elaine and Ralph	Olivia C and Michael	Olivia J / Emily, Cerys and Hollie
Year 6	Esme	Harriet	Issy

Well done to Juniper class who won our attendance award on 17th April with 98.4% attendance and Willow class who won on 24th April with 99.4% attendance! Both classes won 10 minutes extra break!

Our current whole school attendance is 96.1% for this academic year and our target is 96%.

More News

Year 6 have been learning all about the circulatory system in their Science lessons and have learnt all about the different components that make up our blood! To consolidate their learning, they created their own 'blood in a bottle', showing red blood cells, white blood cells and plasma.

It's been a busy couple of weeks for our **Reception** children! Last week they took part in Bikeability and this week they visited Cockfields Farm.

Before half term, our **Year 6s** went on their long-awaited residential trip to Robinwood! They had an amazing time, faced lots of fears and made memories to last a lifetime! Take a look at some of the pictures from their trip:
