## Parking Notice

We have recently received complaints from local residents regarding unsafe and inconsiderate parking around school, particularly on Mere Close and Queensway.

We would like to kindly ask parents to be mindful of how you are parking when dropping off and collecting children, in particular ensuring that cars aren't blocking roads, double parking, obstructing driveways or parking on private property.

Thank you for your cooperation and support.

## This week's news

Well done to our **Year 1** class who delivered their assembly to their parents this week. Their assembly told us all about the learning that our Year 1s have been doing using their class book 'The Queen's Hat'. The children were so brave speaking in front of the whole school and even ended their assembly with an amazing catwalk!

After moving on to their new book 'Godfrey the Frog', the children have then been busy having lots of fun making insect soup to help inspire them when writing a tasty menu!

Our EYFS caterpillars have now transformed into cocoons and today our **Reception** children released their butterflies into the wild and watched them fly away! Our **Nursery** children have also been painting their own butterflies.

## More News

Our **Year 3 children** have been very busy learning all about the Ancient Egyptians. After learning all about how the mummification was used in their History lessons, they had a go themselves by mummifying tomatoes to keep them perfectly preserved. After this, the children enjoyed a fun and educational trip to Bolton Museum, where they were immersed in what life was like in Ancient Egypt.

A huge well done to our **Girls' Football Teams** in Year 5 and 6, who have done a fantastic job representing our school in their recent matches. We'd like to give a special shoutout to Lillie and Issy who won 'Player of the Match' in Year 6 and Hollie and Cerys who won for Year 5. Our **Boys' Football Team** also won both of their fixtures last week, including an amazing 2-0 result against the top of the league, which makes them joint at the top of the league ahead of the final round of fixtures in June!

## FROGS Update!

Thanks to your incredibly generous donations of chocolates and Easter eggs, we raised **over £700** through our **Choc Bingo event** and after-school sales. We are so grateful for the continued support from our wonderful parents and carers, and we hope the children enjoyed their dress-down day!

During the Easter holidays, a small group of dedicated volunteers organised a fun **Easter Trail** around the village. Thank you to everyone who took part and helped solve the mystery of "Who Stole the Easter Bunny's Eggs?". A big congratulations to **Finley**, who won the Easter hamper! The trail amazingly raised around **£250**, we'd like to extend a special thank you to **The Cobblers** for their support in making this possible.

**How your fundraising helps:** Some of the funds raised will go towards **loose parts play resources**, which will support creative and active play for our children. We are also pleased to be funding the **entry costs for the KS2 choir and school brass ensemble** to take part in the **Oldham Schools' Music Festival 2026**.

**Dates for your diary:**

**-Summer Fair—Saturday 11th July (Save the date!)  
12:00 - 18:00**

We will be looking for volunteers to help run this event - even just **one hour of your time** would make a big difference!

**-Raffle Ticket Sales at Tesco—June (exact dates to be confirmed - weekend days)**

We will also be asking for volunteers to help with this - short **1-hour slots available**. More details coming soon.

Thank you again for your continued support - we couldn't do it without you!

## Maths Stars this week!

Year 1	Harrison
