Year 2	Eric	Luke
Year 3	Angel and Henry D	Evie and Hattie
Year 4	Sebastian	Lottie
Year 5	Esma & Holly	Zaffy and Elliott A
Year 6	The whole class!	Erin

This week's news

We would like to say a massive well done to all of our **Year 6s** who completed their SATs tests last week! They worked so hard, not just throughout the week, but through the whole year to prepare for their tests. Throughout the week, the children enjoyed SATs breakfasts in school and then, to celebrate finishing their tests, they enjoyed a special celebration day on Friday. The children enjoyed a huge picnic, a visit from the ice-cream van and got to wear their leavers' hoodies for the first time in school. Well done everyone!

After half term, we are very pleased to be welcoming back **Miss Cassinelli**, who is returning from maternity leave and will be supporting across the school for the remainder of this year. We are also welcoming our new teacher **Mrs Lavin**, who will be teaching Year 1 for the rest of the academic year whilst Miss Egan returns to Year 4.

More News

After learning about how to talk about and describe a range of foods in Spanish, **Hazel and Elder classes** enjoyed their own Spanish picnic this week. The children tasted food from Spain, including chorizo, Spanish omelettes and ice-cream!

Our **Year 6** children have had to show lots of bravery this week as they finished their Science unit on the circulatory system with a lesson dissecting real hearts! The children had to work together to dissect their hearts and observe the four chambers of the heart.

Star Writers!
