Year 2	Harlie
Year 2/3	Darcie
Year 3	Harriet
Year 4	George T and Harvey
Year 5	Rosalie
Year 6	Luna and Alexander

Welcome back!

We hope all of our families have had a lovely summer.

Welcome to Greenfield Primary School's newsletter, which is sent out fortnightly to update you on everything going on at school!

This week's news

Our children were reminded of our school rules after we returned to school:

This half term, we have been introduced to **The Greenfield Way**, which is all about how we act around school and represent our school. During our first half term, we are especially focusing on creating a positive environment for everyone using calm movements and transitions around school. We have been concentrating on walking sensibly and moving quietly and purposefully between activities. We have been so impressed with how quickly the children have embraced this and are already seeing plenty of children acting as role models to others! We are looking forward to developing this further throughout the year.

We also have some **new Inner Strengths** to celebrate this year and earn stickers for showing off! Keep an eye out for our Inner Strength of the newsletter each edition to find out what they all are.

Greenfield Primary School Newsletter

Excellence and Enjoyment for All

A message from FROGS (Friends and Relatives of Greenfield School)

A very warm welcome back to all our Greenfield Primary families, especially anyone new to the school! The FROGS at our school are a group of parents and carers who work together to support the school community, organise events and activities and raise funds to provide opportunities and resources that benefit our children.

We have been delighted to start the year by welcoming our new Reception children with a book gift for every child! We hope they enjoy getting stuck into their new book as a small way for FROGS to welcome our newest children to the school.

We also enjoyed getting to know some of our new Reception parents and carers at our coffee morning today, which was a lovely opportunity to meet other parents and have a chat over a cup of coffee. Thank you to all those who came along.

There are lots of ways to become involved with FROGS, and you don't have to commit to attend every meeting or event to be a part of it! If you would like to find out more about FROGS, what we do and understand how you could get involved, please visit our website:

More News

We have already appointed our new **prefects** for the next academic year! This year, we have a huge team of Year 6 prefects who have written applications explaining the reasons they feel they could help our school through their roles. Our prefects have got lots of jobs around our school to support members of staff and children in the general running of the school. So far they are doing a super job!

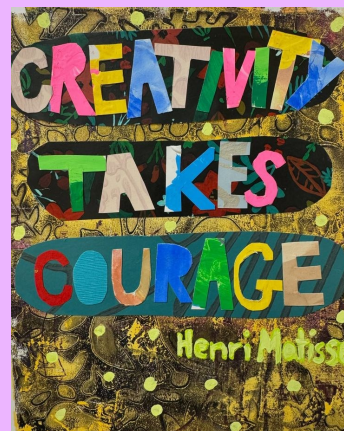

This Wednesday, we hosted a **Meet the Teacher** event for parents to meet their children's new teachers and take a look at their children's classrooms. Thank you to everyone who attended and helped at this event!

Inner Strength of the newsletter: Creativity

Creativity means using your imagination to think of new ideas and different ways of doing things.

You explore possibilities, try things out and adapt your ideas when something does not work.

Well done to Elm and Lime classes who won our attendance award on 11.09.2026 with 100% attendance!
Both classes won 10 minutes extra break!

Our current whole school attendance is **96.4%** for this academic year and our target is **96%**.
