This week's news

Our **newsletter team** have been chosen! Well done to Olivia, Elliott, Daisy, Rosaleigh and Cerys who applied and will now be representing our school by helping to put together our fortnightly newsletter!

Our **Year 6** children have been learning all about the lives of Victorian children this week. Their classrooms transformed into Victorian classes and their teachers became very strict! They then researched some of the tough and dangerous jobs that Victorian children had to do, including rat catching and coal mining!

Our new **School Council** was announced today! Well done Daphne, Oscar, Eloise, Adam, Rosaleigh, Noah, Joe and Max who are our new members and a special well done to Eli who is now the Head of School Council and Thea who is our scribe! They are meeting next Monday to plan ahead for their year.

We also have our **Eco Council** set up and already busy with meetings to plan their year ahead! Well done to Emily, Harrison, Rome, Ava C, Ace, Florence N, Matilda, Nooralain, Elaine and Henry who are on our new Eco Council.

Each of our classes are very busy rehearsing for our **Harvest Assembly** next week! We have lots planned, from artwork, to songs, to poetry and are looking forward to Reverend Barbara hosting our special assembly. We would like to say a huge thank you to everyone who has donated food or toiletries for our local food bank too. Check on our next newsletter to see what happens during our Harvest Assembly!

Our first **Year 5/6 boys' football** match of the season took place this Wednesday featuring some new players! They went to Oldham Leisure Centre for their matches and won both matches 3-1, taking them to the top of the league! Well done boys.

Birch and Lime classes have been busy in their History topic! They have been learning all about the Stone Age and how Stone Age people used different tools to create cave paintings. They have also had a go at sketching their own designs of these!

More News

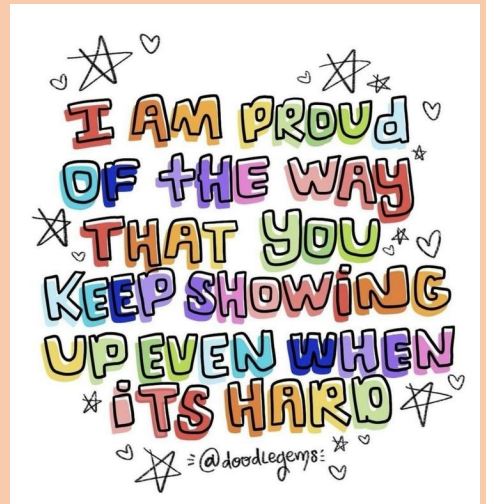

After learning all about birds in **Year 2**, the children have been exploring our school grounds using a bird hunt to see if they could name lots of different birds!

This week, we had a visit from Mary and the **Ground-breakers** team who led a whole-school assembly focusing on what it meant to put our faith in others. Our Year 4 classes were then lucky enough to have their own workshops with Groundbreakers, where they were taught all about the diary of the disciples, focusing on Luke's story.

Inner Strength of the newsletter: **Pride**

Pride means caring about the quality of your work and always doing your very best. You put care and effort into everything you do, pay attention to detail and present your work in a way that makes you proud!
