Friday 4th September 2026

Dear Parents/ Carers,

We hope that you have all had a wonderful Summer and are feeling ready for the new school year.

All Year One children will be following the same curriculum and covering the same topics. Below is a summary of the subject areas your child will be covering throughout the Autumn Term and other key information.

Maths:

This term, we will be exploring number and using a range of calculation methods to solve problems. We will be learning to use number lines and number squares and will be developing children's knowledge of place value.

The table below outlines the aspects of mathematics that will be covered during the Autumn term.

Counting- Place Value, Odd and Even Numbers

Representing Numbers

Comparing Numbers

Addition

Subtraction

Number Bonds to 20

2D and 3D shapes

Assessment Week

English:

During the Autumn term we will be covering character descriptions, labels and captions, performance poetry, recounts, non-fiction writing and learning how to use punctuation such as full stops and question marks. In addition to English lessons children will be taking part in daily

phonics sessions where they will consolidate their knowledge of previously learnt sounds and tricky words as well as learning new ones. Children will also be practicing their handwriting each day.

History and Geography:

This first half term your child's topic will be 'What can we discover around our school?' Children will look at maps and learn about Greenfield. The second half term will focus on 'What has changed since my Grandparents were young?'

Science:

Our first Science unit will focus on The Human Body and our second unit for this term will be Materials.

Other Subjects:

Your child will have a computing session every week. Within these sessions, they will develop their knowledge of ICT and will become more confident using different programs.

The first RE unit in the Autumn term will be centred around the question 'Which books and stories are important?' In the second unit we will be answering the question 'Why are festivals important in a community?'

Children will also take part in weekly Art or DT, music and PSHE lessons.

PE:

Please ensure your child is wearing the correct school PE kit and they can come to school wearing this the day they have PE lessons.

PE days:

Mrs Snape- Maple- Mondays and Tuesdays

Miss Cassinelli- Juniper- Mondays and Thursdays.

Homework:

Your child will be bringing home a reading book every Friday. Please ensure this book is returned to school by the following Thursday at the latest. It is important that these books are read as often as possible at home to aid children's progress. The book that your child brings

home will already have been shared at least twice with an adult as part of a group read in school. Please ensure that you also read it with your child and ask them questions about the text. Comprehension questions can be found on the back pages of the book.

Spelling Shed homework will be set each Friday and will be available for the following week. The children will also receive a purple homework book, in this book we ask that the children pick three of their spelling words and practice writing them, focussing on letter formation and ensuring that each word sits on the line.

Logins for Spelling Shed are on the front of your child's yellow reading record.

General Information:

Children will need shoes with velcro or buckle fastenings so that they can put their shoes on independently and limit the risk of tripping over untied laces.

Please ensure your child comes to school with a coat every day, even if the weather appears warm in the morning.

Children have outdoor play every day and the weather often changes during the course of the day.

Items at school can easily get lost or mixed up with other children's belongings so please ensure all items of clothing including coats, shoes, bags, water bottles, lunchboxes etc. are labelled with your child's name.

Please make sure toys from home are not brought into school. This is to avoid distraction and disruption during learning time. However, we are more than happy for children to share any special achievements such as certificates, awards or special news.

We hope the above information is useful but please don't hesitate to speak to us if there is anything you are unsure of. We will be at the classroom door before school and at the end of the day or for a more detailed discussion please request an appointment.

We look forward to the exciting year ahead!

Yours sincerely,

Mrs Snape and Miss Cassinelli
