This week's news!

Our Harvest Assembly took place last week, where each class shared something they had prepared: songs, artwork and poetry were just some of the things we saw! Well done to everyone who took part.

Our first Cross Country race of the year took place last Friday! A huge well done to everyone who contributed to our Cross Country Team and represented the school as well as our Year 2 runners who took part in a Fun Run. A special shout out to Mabel, Harvey and Lottie who came 1st in their races, Grayson and Max who came 2nd and George who came 3rd. Well done everyone!

Our Year 5 and 6 Girls' Football Teams visited Oldham Leisure Centre this week, where they played their first fixtures of the year. Both of our teams showed amazing co-operation and determination! A special well done to our B team who are now second in the league!

Inner Strength of the Newsletter: Patience

Patience is staying calm when you have to wait or when something takes time. You keep trying, practising and learning, knowing that 'not yet' does not mean 'never'.

Some of our children have created their own posters to support Kevin Sinfield as he completed his latest charity challenge this week to raise money to support those fighting Motor Neurone Disease. Our Year 4 children also created their own banner which was then put up on Churchill Playing Fields to support Kevin as he ran. Well done everyone!

Our Year 4 children have been busy this week after exploring biomes in their Geography lessons! They used their knowledge to create their own biomes in a shoe box to show what the climate is like in each of the biomes they have learned about. Take a look at some of their beautiful creations.

Today we celebrated Hello Yellow to raise money for Children's Mental Health Week. We all came to school dressed in yellow and also completed some lovely activities to help raise awareness for children's mental health.

Congratulations to Lime Class who won the attendance award on both 02.10.26 and 09.10.26 with 100% attendance on both weeks! Our current whole school attendance is 96.5% and our target is 95%.
