Excellence and Enjoyment for All

Issue: 33

Date: 23.10.2026

This week's news!

We saw some amazing costumes in school last Friday as we celebrated Break the Rules Day at school! Our School Council had a tough job but they also awarded some people with prizes for scariest costumes and craziest hair. Thank you to all children and parents who put lots of effort into their cosumes!

Later in the day, lots of our children enjoyed the Spooky Disco. We would like to say a huge thank you to FROGS for organising the event and the staff who stayed behind after school to help make this event possible.

This week, we had a special assembly to celebrate the fact that our school has won £350 in book tokens as we were one of the top three schools with the highest number of children participating in the Summer Reading Challenge! Thank you to everyone who read over summer and contributed to this success.

FROGS have introduced us to a fun new challenge called the Penny Challenge Bucket! Each class has to fill their bucket with any loose change they can find at home up to the value of 20p, and the total contents at the end are going towards that class's Christmas celebrations and treats. There is also a special prize on offer for the first class to fill their bucket and the class that has the most money in their bucket at the end, so get searching for any loose change and bring it into your class! The challenge ends on 1st December.

Upcoming dates for your diary

02.11.26

Return to school for Autumn 2

05.11.26

Parent academisation consultation meeting

06.11.26

Academisation consultation period closes

02.12.26

Years 1-6 at Middleton Arena for Cinderella Pantomime

Inner Strength of the Newsletter: **Curiosity**

Curiosity is wanting to know more and understand things better.

You look closely, ask thoughtful questions and go looking for answers.

When you make a mistake, you investigate where you went wrong so you can learn from it and improve.

Year 2	Jax
Year 2/3	Oscar
Year 3	Rome
Year 4	Scarlett & Mabel
Year 5	Dayyan
Year 6	Esma & Asadullah

Maths Stars!

Year 1	Seb & Frankie
Year 2	Kennedy
Year 2/3	Finlay
Year 3	Agnes
Year 4	Eloise & Florence
Year 5	Lucas
Year 6	Elaine & Sam

Stars of the Week!

N - Esme and Otis, Yr 1 - Phoebe and Lola, Yr 2 - Adriana, Yr 2/3 - Rupert, Yr 3 - Rosa, Yr 4 - Harley and Lucy, Yr 5 - Emmie, Yr 6 - Fynn and Emily Ca

Congratulations to Lime Class who won the attendance award on both 16.10.26 with 99.6% attendance and 09.10.26 with 100% attendance on both weeks! Our current whole school attendance is 96.5% and our target is 95%.

More News

It has been a busy couple of weeks of sport at our school this week! We had more super results at last week's Cross Country race at Stoneleigh Park. Lots of our children earned bronze, silver and gold medals and showed excellent resilience. Last week, some of our Year 2 children also took part in a multi-skills challenge against other Oldham schools and came second overall! Well done everyone.

Our Year 6 children did a fabulous job delivering their class assembly today. The children told us all about their History topic on the Victorians this half term. They showed lots of bravery speaking in front of other children and parents and even sang 'Food Glorious Food' at the end!

Our Reception children couldn't believe their eyes this week! After reading the Gruffalo in class, Miss Gabbidon caught him in our Reception classrooms playing with all the Reception children's toys and even going down their slide!

School Playground: Note to Parents

When the path in the upper corner of the school grounds (near the spare Year 1 classroom) becomes flooded, we'd like to ask parents to consider following a voluntary one-way system in this area, moving clockwise around the playground. This would help everyone navigate the path more easily, reduce congestion and make getting around a little safer and smoother for all families during wet weather. Thank you so much for your understanding, cooperation and support!
